

## Business Process Management (BPM) Introduction

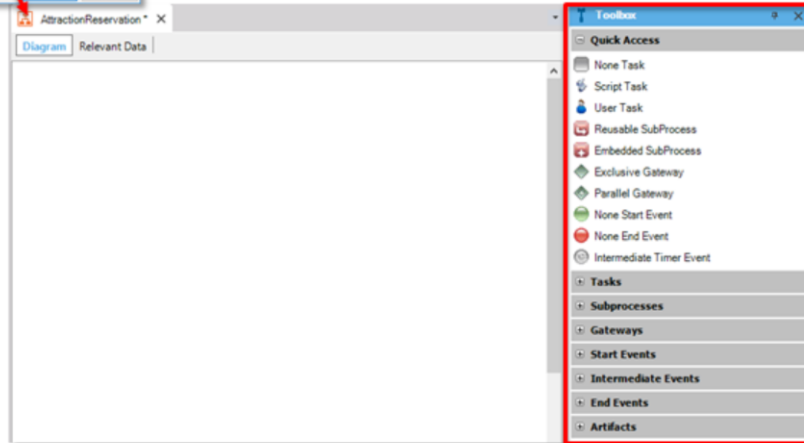

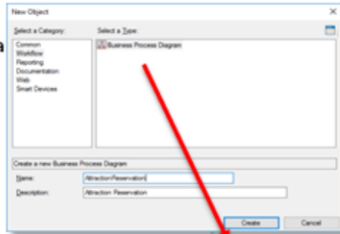

*GeneXus™ 16*

[video: <https://training.genexus.com/genexus-en/genexus-16-course-analyst-level?en#introduction-to-bpm-suite>]

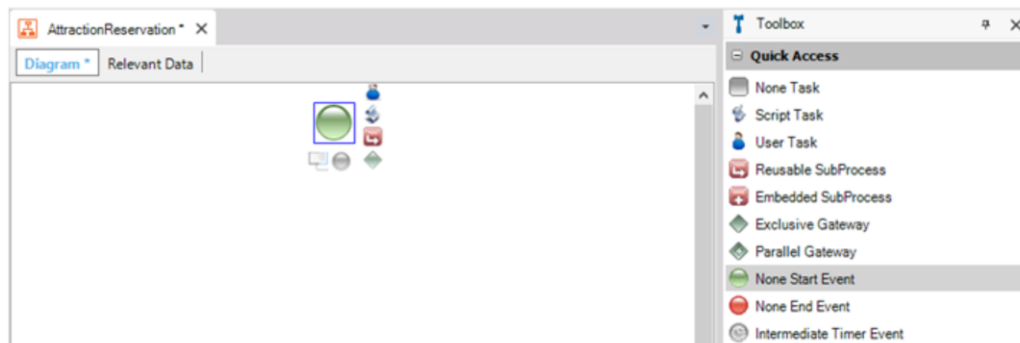

To model a

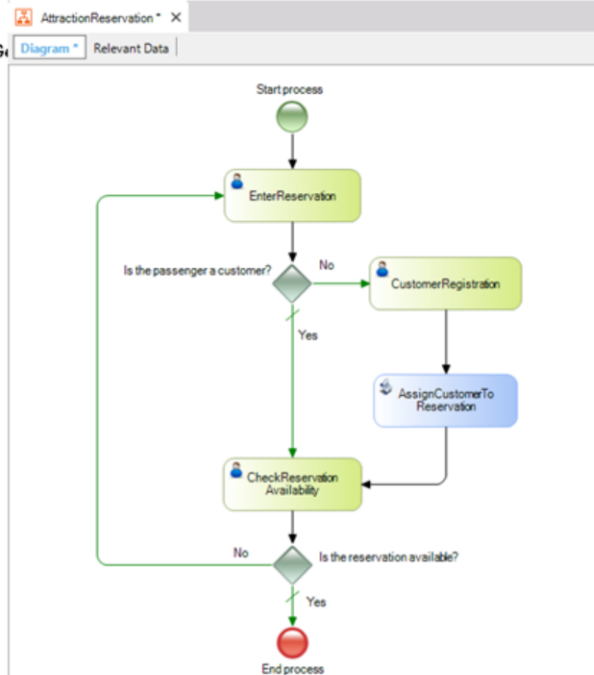

create an object called Business Process Diagram

## Modeling the process with BPMN symbols

Process of booking a holiday package modeled in GeneXus

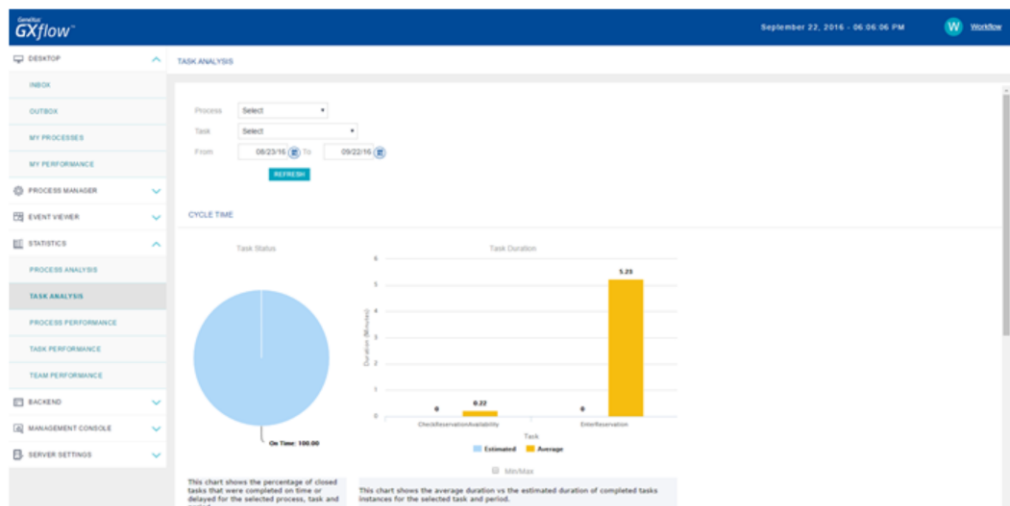

## GXflow client inbox

The screenshot displays the GXflow client inbox interface. The top header bar includes the GeneXus logo, the text "GXflow™", the date and time "September 22, 2016 - 06:00:17 PM", and a "Workflow" button. Below the header, a navigation sidebar on the left lists various options: INBOX (selected), OUTBOX, MY PROCESSES, MY PERFORMANCE, PROCESS MANAGER, EVENT VIEWER, STATISTICS, BACKEND, MANAGEMENT CONSOLE, and SERVER SETTINGS. The main content area shows the inbox table with columns for Subject, Task, and Created. A single entry is visible: "Attraction Reservation" with the task "EnterReservation" and a creation date of "09/22/16 03:00 PM". The interface also includes action buttons like "New", "Execute", "Send", and "More Actions" at the top of the main area.

Subject	Task	Created
Attraction Reservation	EnterReservation	09/22/16 03:00 PM

## Management and statistical tools
