Bandeja de entrada del cliente GXflow

The screenshot displays the GeneXus GXflow client interface. At the top, a blue header bar contains the GeneXus GXflow logo on the left, the date and time 'September 22, 2016 - 06:00:17 PM' in the center, and a 'Workflow' button on the right. Below the header, a navigation bar includes a 'DESKTOP' button, an 'INBOX' button, and action buttons for 'New', 'Execute', 'Send', and 'More Actions'. A search bar is located on the right side of this bar. The main content area is divided into a left sidebar and a central table. The sidebar lists various menu items: 'INBOX', 'OUTBOX', 'MY PROCESSES', 'MY PERFORMANCE', 'PROCESS MANAGER', 'EVENT VIEWER', 'STATISTICS', 'BACKEND', 'MANAGEMENT CONSOLE', and 'SERVER SETTINGS'. The central table displays a list of tasks. The first task is 'Attraction Reservation' with the task name 'EnterReservation' and a creation date of '09/22/16 03:00 PM'. The table has columns for 'Subject', 'Task', and 'Created'. At the bottom of the table, there are navigation controls: 'FIRST / PREV / NEXT / LAST' and a page indicator '1 - 1 of 1'.

Subject	Task	Created
Attraction Reservation	EnterReservation	09/22/16 03:00 PM
