Processo de negócios de reservar um pacote turístico

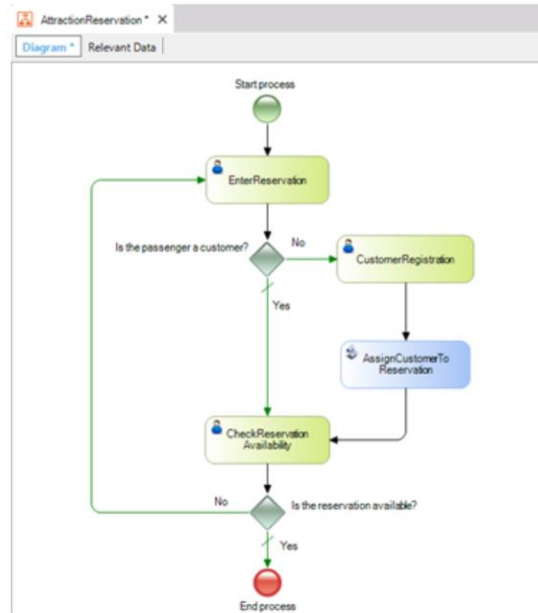

Objeto Business Process Diagram

Modelando o processo com símbolos BPMN

O modelo em GeneXus do processo de reserva de um pacote turístico

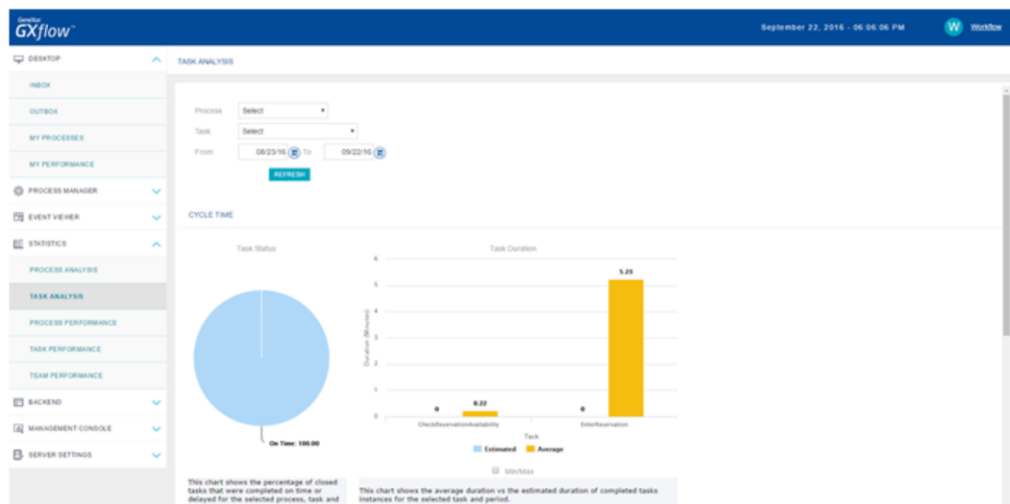

Caixa de entrada do cliente GXflow

The screenshot displays the GeneXus GXflow user interface. At the top, a blue header bar contains the 'GeneXus GXflow' logo on the left, the date and time 'September 22, 2016 - 06:00:17 PM' in the center, and a 'Workflow' button on the right. Below the header, a navigation bar includes a 'DESKTOP' menu, an 'INBOX' tab, and action buttons for 'New', 'Execute', 'Send', and 'More Actions'. A search bar is also present. The left sidebar lists various system components: INBOX, OUTBOX, MY PROCESSES, MY PERFORMANCE, PROCESS MANAGER, EVENT VIEWER, STATISTICS, BACKEND, MANAGEMENT CONSOLE, and SERVER SETTINGS. The main content area shows a table with one entry. The table has columns for status icons, 'Subject', 'Task', and 'Created'. The entry is for 'Attraction Reservation' with the task 'EnterReservation' and a creation date of '09/22/16 03:00 PM'. At the bottom of the interface, there are pagination controls: 'FIRST / PREV / NEXT / LAST' and '1 - 1 of 1'.

| | Subject | Task | Created |
|---|------------------------|------------------|-------------------|
|     | Attraction Reservation | EnterReservation | 09/22/16 03:00 PM |
